| 12 | Pan / Ceph Area | | |

We have been extremely well served using Sinclair Dental. They have provided us with excellent service and advice in every aspect starting from design, choice of products, construction advice and installation.

The after-service care has been second to none, and the Service Technicians have been nothing but first-rate. The High Tech Department has been extremely knowledgeable as well.

We would have no hesitation to recommend Sinclair Dental to any practitioner.

Dr. Demetrius Dalios, Dr. Mahmood Gozar & Dr. Zulfar Moledina,
Eastboro Dental Clinic
Ottawa, Ontario

"Sinclair Dental have provided us with excellent service and advice in every aspect."
